Subject: Letter to the Organizers of the World Championship in Dunavarsány

Dear Ágota, dear Sándor, dear Gyula, dear Danko, dear all organizers of the World Championship in Dunavarsány,

I would like to use the opportunity to thank the excellent organization on behalf of the IAU EC members, athletes and coaches, and on my own behalf.

Bearing in mind that you accepted the organization of this competition only 5 months before the date of the organization, and that only one month before the competition you had to change the location of the competition, you managed to do the impossible. Thank you all for your great effort. It was definitely worth it...

We enjoyed an amazing competition in a great friendly and at the same time sporting atmosphere after a two-year COVID break.

I share the sentiment of all the participants of this competition about the excellent organization and the great anticipation of a new organizer next year.

Thank you!

Dragutin Vrbek
